

## Five Little Ducks

Five little ducks	<i>(Hold up five fingers)</i>
Went swimming one day	
Over the hill and far away	<i>(Using one hand gesture over a hill across your body and then stretch your arm out)</i>
Mother duck said	<i>(Form a beak with your hand, by pressing underside of thumb to underside of middle finger)</i>
"Quack, quack, quack, quack."	<i>(Make a quacking sound and move thumb and middle finger together and apart to mimic beak opening and shutting)</i>
But only four little ducks came back.	<i>(Hold up four fingers)</i>
