

Incy Wincy Spider

Incy wincy spider
climbed up the water
spout

(Alternately put your left thumb on the tip of your right forefinger, then your right thumb on the tip of your left forefinger. Move your thumbs and forefingers in turn as the spider climbs up the spout)

Down came the rain and
washed poor Incy out

(Hold both hands up and wiggle your fingers as you lower them to imitate rain before throwing down your arms when the spider is washed out)

Out came the sunshine
and dried up all the rain

(Make a big circle with your arms to represent the sun)

So Incy wincy spider
climbed up the spout
again.

(Alternately put your left thumb on the tip of your right forefinger, then your right thumb on the tip of your left forefinger. Move your thumbs and forefingers in turn as the spider climbs up the spout)
