

Round and round the garden

Round and round the garden
(Hold child's hand with palm facing up and tickle with your fingers in a circular motion)

Like a teddy bear

One step, two steps,
(Walk fingers up arm)

And tickly under there
(Tickle underarm)

Round and round the haystack
(Move fingers in walking motion around child's tummy)

Went the little mouse

One step, two steps,
(Walk fingers up body towards neck)

Into his little house
(Tickle under neck)

Round and round the lighthouse
(Move fingers in walking motion around child's feet)

Up the spiral stair

One step, two steps,
(Hold child around waist)

And right up in the air!
(Lift child into the air)
