

Row Your Boat

For babies stick with 3-4 verses, for bigger kids add in more

Row, row, row your boat
Gently down the stream
Merrily, merrily, merrily
Life is but a dream

(Sit baby or child on lap and row back and forth)

(For the last line, lean child upside down)

Row, row, row your boat
Gently down the stream
If you see a crocodile
Don't forget to scream

(Sit baby or child on lap and row back and forth)

(For the last line, lean child upside down and make a pretend screaming sound)

Row, row, row your boat
Gently to the shore
If you see a lion
Don't forget to roar

(Sit baby or child on lap and row back and forth)

(Lean child upside down and make a roaring sound)

Row, row, row your boat
All across the puddle
If you see your mummy there
Give her a big cuddle

(Sit baby or child on lap and row back and forth)

(Lean child upside down and then cuddle them)

Row, row, row your boat
Gently down the river
If you see a polar bear
Don't forget to shiver

(Sit baby or child on lap and row back and forth)

(Make an exaggerated shiver)

Row, row, row your boat
Across the reservoir
If you see a pirate
Stop and say ooo-arr

(Sit baby or child on lap and row back and forth)

(For the last line, lean child upside down while making pirate sound and voice)

Row, row, row your boat
Gently down the creek
If you see a little mouse
Don't forget to squeak

(Sit baby or child on lap and row back and forth)

(For the last line, bounce child on your lap and make a squeaking noise)

Row, row, row your boat
Gently to the beach
If you see a dinosaur
Don't forget to screech

(Sit baby or child on lap and row back and forth)

(For the last line, lean child upside down and make a screeching noise)

Row, row, row your boat
Gently up the brook
If you catch a little fish
Let it off the hook

(Sit baby or child on lap and row back and forth)

*(Pretend to catch a fish)
(Throw pretend fish back in water and make a splashing sound)*
