

Slowly, slowly creeps the garden snail

Slowly, slowly, very slowly

(Move fingers, slowly walking up from baby's feet towards their tummy)

Creeps the garden snail.

Slowly, slowly, very slowly

Up the wooden rail.

Quickly, quickly, very quickly

(Move fingers, quickly walking up from baby's tummy to tickling baby's neck or underarm)

Runs the little mouse.

Quickly, quickly, very quickly

Into his little house.
